

Joint Meeting May 23-25, 2022 Belmont University • Nashville TN

The National Association of Baptist Professors of Religion

Greetings from the NABPR Executive Secretary-Treasurer

Welcome to the Annual May Meeting of NABPR. It has been two long years since we last met in person. That was in Raleigh in 2019. Seems like forever...

Save the date for 2023: Gardner-Webb University will host our Annual Meeting on May 22-24. In past years, Gardner-Webb has been an excellent place for our meeting. Also, mark your calendar for November 19, 2023. This year's plenary speaker for our November meeting will be Dr. Randall Balmer.

At this year's meeting, we have a full agenda of papers, plenary sessions, and joint sessions with AMGP. On Tuesday morning, we will honor and remember former NABPR President Dr. Charles Talbert. The Executive Secretary-Treasurer Search Committee will also give a report during this meeting. It is bittersweet that this will be the last May meeting that I will plan.

The Association of Ministry Guidance Professionals

Greetings from the AMGP Executive Director-Treasurer

Welcome to the 2022 annual meeting of the AMGP. We appreciate NABPR and Belmont for working hard to make this joint meeting possible.

AMGP consists of theological educators who have responsibility for guiding students through ministerial call clarification and supervised field experiences in ministry. We provide a forum for sharing information and establishing professional standards for ministry guidance.

This is our second time to join NABPR for a combined meeting. Our members will have the opportunity to attend not only AMGP sessions but also NABPR sessions. Highlighting the AMGP meeting is a guest lecture by Dr. Andy Watts, Professor of Religion in the College of Theology and Christian Ministry and field education supervisor at Belmont.
